## Dear Parents/Carers,

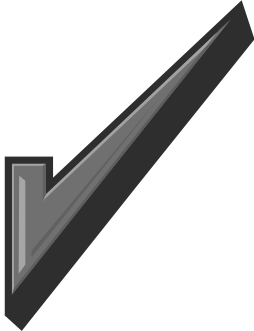

Our final Newsletter for the year. We have had a very successful year, and this is due to the hard work and motivation of the staff team and the tremendous support we have received from Governors and parents. Next year we intend to continue working with you, and achieve even more for your children.

We started the year with the considerable challenge of raising the attainment of our pupils in Literacy and Numeracy. I am pleased to inform you that we have achieved the following:-
